

ST. MARY PARISH LIBRARY
LIBRARY SERVICES POLICY AND PROCEDURE MANUAL
APPROVED: 9/24/2024

OBJECTIVES OF THE LIBRARY

1. To assemble, organize, maintain, and make easily available a collection of books and other materials to provide for the recreational, informational, and educational needs of all residents of St. Mary Parish.
2. To promote the library and its services.
3. To evaluate and anticipate the changing community that the library serves and the effect of the changing world on the services offered to the community.
4. To develop and maintain the library as a source of stimulation in the community, a source of ideas and ideals.
5. To provide the community with the best and most service possible by continued improvement of library facilities and services.
6. To provide free and equitable access to the library's resources for all residents of the parish.
